Dated: December 26, 2013

Dear Mr. Dressler:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

We did not find any RCRA hazardous waste information for the properties located at 501, and 801 Scott Avenue in Calverton, New York.

We are enclosing a copy of the RCRA Facility File Index Sheets for US Navy, NWIRP Calverton on Grumman Boulevard in Calverton, New York. There may be some other RCRA documents that the EPA RCRA Project Manager would have that are not included on the enclosed index sheets. We are also enclosing a copy of the RCRA Compliance Monitoring, and Enforcement Data Report regarding inspection information for US Navy, NWIRP Calverton in Calverton, New York.

The approximate amount of RCRA information that we have for this facility is 47.50 inches. One inch is equivalent to 250 pages. The cost for copying each page is \$.15.

Be sure to bring a copy of this letter when coming to our EPA file office, and make reference to the EPA ID Number NYD003995198.

You can place an asterisk next to the documents that interest you on the index sheets, and then fax the indexes to Mr. Abrines at (212) 637-3526. Or, you can e-mail the information to abrines.david@epa.gov. Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost. Keep in mind that if you decide to work from the enclosed index sheets, and not visit our office; you may not be looking at all of the documents that we have.

We also have three documents for US Navy, Calverton which may be considered confidential. We recommend that you first review the documents that we have. If after reviewing the documents and you still have an interest in pursuing the regulatory process to request disclosure of the confidential document, please inform Mr. Abrines at the above telephone number.
